1. [REDACTED] Met with Mr. Darrell St. Claire, Chief Clerk, Senate Foreign Relations Committee staff, in response to a request to him from the Department of State for a copy of the [REDACTED] paper relating to [REDACTED]. Mr. St. Claire apologized that his request to the Department had been made early on Friday before he talked to me and at the time that he made his request, he was not certain what paper he was talking about. He advised that the information I provided him, that the paper on [REDACTED] had been published in the Congressional Record, satisfied his needs and that he would cancel his request to the Department. He was most appreciative of our follow up. CA Staff has been advised.
